By letter dated 8 May 1998, the Commission for Environmental Impact Assessment (EIA) was requested to advise on Integrated Coastal Zone Management (ICZM) plan. I herewith submit the advice prepared by a joined Mozambican/Netherlands working group of this Commission.

The Commission sees its input regarding the work plan/ inception report as twofold:

1. The input by means of intensive discussions with the consultant regarding the technical aspects and ranking of the emergency works and moreover as well as regarding the outlines of the Integrated Coastal Zone Management (ICZM).
2. The Commission understood that after the ICZM plan has been prepared the Commission will be requested to review the plan.
